**Course Description**

This qualification reflects the role of educators in early childhood education and care who work in regulated children's education and care services in Australia. They support children's wellbeing, and development in the context of an approved learning framework. Educators use a range of well-developed skills and knowledge using discretion and judgment when carrying out their work in the context of established policies and procedures. They may work independently or under the guidance of others, though in some contexts that guidance may not be on-site.

Early childhood educators work in long day care centres, family day care, pre-schools, or kindergartens.

To achieve this qualification, the individual must have completed a total of least 160 hours of work in a regulated children's education and care service in Australia as detailed in the Assessment Requirements of units of competency. The total number of hours may be applied collectively across all units of competency that include the requirement for workplace hours.

**Entry Requirement****International students**

- English Proficiency: IELTS overall score of 6.0 or equivalent, no less than 5.0 in each band (Please refer to the notes on Page 4 for more details).
- Academic: Successfully completed Year 12 of a 12-year school system. Year 11 students with high academic achievement may also be considered.
- Minimum age: 18 years old or over.

**Domestic students** – Please refer to the Domestic Students section on UPC website.

**Credit Transfer and Recognition of Prior Learning**

Credit Transfer (CT) and Recognition of Prior Learning (RPL) are available for students who have studied childcare courses or have work experience in a childcare environment. If RPL and/or CT is granted, your study period and visa duration (for international students) will be shortened.

### **Delivery Mode and Total Volume of Learning**

We offer a blended delivery mode of classroom learning, structured self-learning, and work placement. The course has 36 studying weeks (4 terms) during a period of 12 calendar months.

For the first 7 weeks of each term, you attend classes 14 hours per week and complete another 6 hours of structured self-learning doing required coursework. For the last 2 weeks, you will be placed in a regulated childcare centre working a minimum of 20 hours per week. On top of these, you study in your own time up to 15 hours per week then complete assessments. The minimum total work placement time of the qualification is 160 hours.

### **Assessment Method**

Assessment of the theoretical component of the training program is competency-based in the form of written assignments, case studies and projects while the workplace component is monitored and assessed using work placement logbook and on-site visits by our assessors.

### **Course Completion**

Upon successful completion of all 17 units of competency of this course, you will receive the Australian nationally recognised qualification of the CHC30121 Certificate III in Early Childhood Education and Care which includes two documents, the Testamur and the Record of Results. A student who does not complete all required 17 units will be issued a Statement of Attainment showing all units of competency that he/she has successfully completed.

### **Pathways**

The CHC30121 is a level 3 qualification in the Australian Qualifications Framework (AQF). Therefore, it is mandatorily recognised by all AQF colleges. On successful completion of this qualification, your next level of study is CHC50121 Diploma of Early Childhood Education and Care.
